

« Devenez expert du normal, pour ne pas passer à côté de l'anormal »

La Check list du coeur normal, pas à pas

Pourquoi sommes nous là?

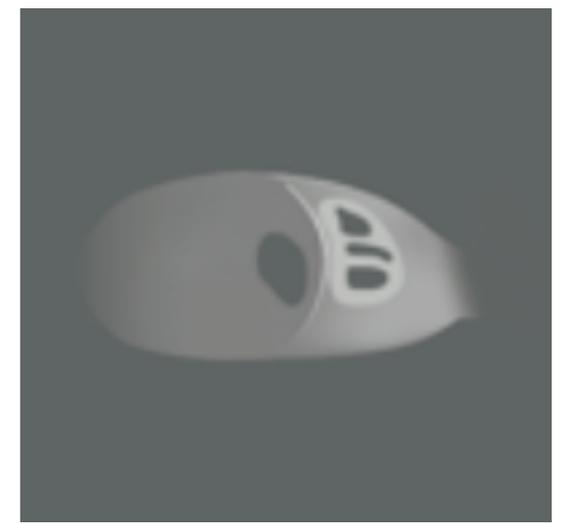

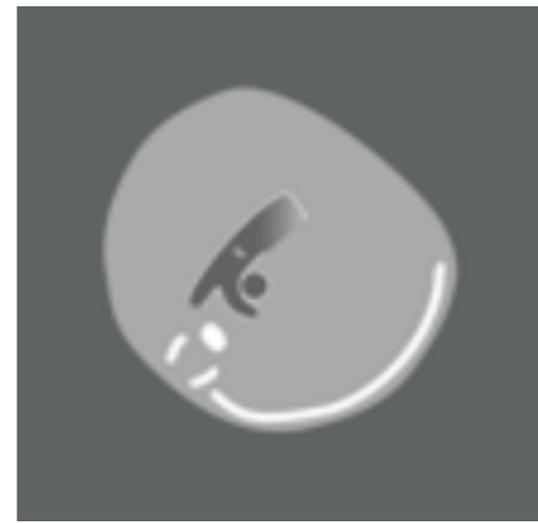

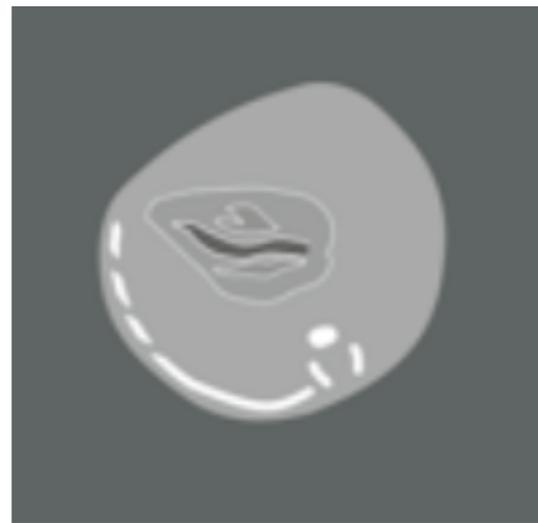

90% des CC en population à bas risque

C'est vous

C'est dur: affirmer que pour 99 patientes sur 100, le coeur est normal

Pour 1 patiente sur 100  a un doute ou un diagnostic

« *Envie de posséder un coeur formidable ?* »
